Students Honor Founders

Honoring founders during the annual Founders' Day program at Fern-Greenwood PTA meeting were these students in a temple scene from "Legend Sing of Chin Bow Wing" written by last year's sixth grade class and produced under the direction of Herman Goodman. Left to right are Mary Palmer, Bill Cosby, Rebecca Wenske, Bob Sonju, and Lyn Pitts. The PTA later honored Mrs. C. S. Connors and Mrs. P. T. Underwood with life memberships.

Beau Jardin Garden Club Meets Here

A regular meeting of the Beau Jardin club was held at the home of Mrs. Kenneth Harmon, 22317 Warnside ave., with Mrs. Kenneth Harmon and Mrs. John Cariveau as hostesses.

It was announced that a rummage sale will be held in March for the benefit of the School for Exceptional Children to raise funds for completing the new quarters for their school. Mrs. Leo Hayes will head the committee on this project.

The program of the evening was a talk by Mrs. John Cariveau entitled "Garden Accessories." Many clever and economical ideas were presented to beautify and improve the yard.

Mrs. L. D. Burt, president, thanked members of the club for their help in the decorations of the Legion Hall, and Torrance Civic auditorium for the Torrance "All-America City" celebration January 26.

A flower identification game was played. Mrs. L. D. Burt won a Black Pine and Mrs. Kenneth Moe won a Calastemon Lanceolatus. Door prizes were won by Mrs. William Cressy and Mrs. William Adkins.

Refreshments were served by the hostesses. Present at the meeting were Mrs. William Adkins, John Beattie, John Blair, L. D. Burt, John Cariveau, William Cressy, Donald Drorbaugh, Kenneth Harmon, Leo Hayes, Robert Hill, Kenneth Moe, John Regan, Fred Worgul, and Albert Yackle.

Guests present were Mrs. Ralph Cullen and Mrs. A. E. Arney. The next meeting of the club will be February 27, at the home of Mrs. Robert Hill, 22403 Redbeam ave. Mmes. Robert Hill and Donald Drorbaugh will be hostesses.

C. T. Hanna, Gardena, February 16.

KELVIN FIGGINS RETURNS HOME WITH FRENCH WIFE

Colette Figgins has been in a whirl of activity since she and her husband, Kelvin, arrived here February 11, from Toul, France.

Kelvin, who was a corporal there with the Army 52nd Engineering corps, and his French wife, were married July 5, 1956, in Toul. They docked in New York on February 4 and drove to California where they are presently staying with his parents, Mr. and Mrs. K. D. Figgins, 3141 Opal.

Mr. and Mrs. Gerald Kelvin Figgins just arrived in Torrance from Toul, France, where he was stationed with the 52nd Engineering corps. Mrs. Figgins, the former Colette Pagel, and her husband drove from New York in a Volkswagen purchased in Europe. They arrived here February 11.—Press Photo

Colette, who speaks English very well, is the daughter of Mr. and Mrs. Andre Pagel, owners of the Cafe de Hotel De Ville in Toul. She met Kelvin through an American couple from Garden Grove who arrived in France first.

According to Mrs. Vernice Figgins, Kelvin's mother, she is dazzled by the friendliness of everyone in this country; in fact her "eyes get bigger and bigger every day since she has been here."

Naturally, her parents are a little homesick for their daughter, and vice versa. But Colette hasn't had much time for homesickness since she arrived, and the entire Figgins family are keeping the Pagel's informed, through the mails, on their daughter's new life in the United States. Colette plans to study American history and eventually obtain her American citizenship.

Kelvin received his basic training at Fort Ord, California, and was stationed at the Presidio, San Francisco, in the Foreign Intelligence division before being transferred to overseas duty in France.

He is graduate of Torrance High school and attended the University of Redlands and UCLA prior to his induction August 12, 1954. He just received his separation papers at Fort Hamilton, New York, and plans to return to school and continue his major in political science.

SLUMBER PARTY

A "slumberless" party for members of the Estrellitas Horizon club was recently held at the home of Miss Nanette Teague.

Hosts Bridge Club

On Monday, February 18, Mrs. William Dekin entertained a bridge club at her home, 2468 Sonoma.

Those present were Mmes. Ruth Rogers, Sel Prout, Lillian Dunhouse, Nancy Eisenbrandt, Betty McNeil, Sybil Moffitt, and Fran Snodgrass. Mrs. Dekin was the high scorer and Mrs. Dunhouse was second.

Next meeting of the bridge club will be held at the home of Mrs. Eisenbrandt, 1012 Acacia, on March 4.

Fashion Show

The Estrellitas Horizon club announces its second annual Fashion Show Friday, February 22, from 1:30-4 p.m., at the Monroe Elementary school, 10711 10th ave., Inglewood.

Preceding the show new officers will be installed. They are: Jill Miller, president; Judy Erzberger, vice-president; Jeri Miller, secretary; and Carol Bennett, treasurer.

Bicycle Safety Program at Carr School Forms Safe-Driving Habits for Students

For the past two weeks, a Bicycle Safety campaign has been conducted by the Evelyn Carr Elementary school PTA, the only one of its kind in the school district. "I'm no Fool on a Bicycle," a film, was shown to all the students, and officer A. L. Jackson, Torrance Police department, spoke on Bicycle Safety.

Read Manual

In class, the students studied the bicycle manual put out by the Police Safety council, followed by a written test on the material covered.

Scoring of the actual bicycle driving tests was done by the mothers, and students from the

Safety Council club—a branch of the student senate. Mrs. Robert Holmes was co-safety chairman.

The difficult "driving" test was divided into seven parts which tested the student's agility, balance, direction, and how well he could stop and turn his bicycle:

1. Cover a 60-foot runway, 3-foot wide, in no less than 30 seconds.
2. Weave in and out of blocks in a 60-foot runway without touching the blocks or displacing them.
3. Maneuvering between six pairs of blocks, 6 inches between each pair on a 60-foot runway, without touching the blocks.
4. Drive around a circle 18 feet in diameter remaining within a 2-foot confine.
5. Drive between 2 pairs of upright posts or stanchions, 18 inches apart and 30-feet from each other.
6. Make a U-turn, within the confines of a 9x30-foot area without the feet touching the ground at any time.
7. Stop the bicycle in a rectangular area, 6x12-feet, with both feet remaining on the pedals.

It is hoped by safety chairman, Albert Nociolo, that the young people of the community will become aware of safety measures and traffic hazards through such a program and

that what they learn will be applied in the future to automobile driving.

Tests Skill

Jerry Hoppes, student at the Evelyn Carr Elementary school, tries to weave in and out of the blocks without touching them. Officer Bill Mitchell, Torrance Police department checks him closely during the bicycle safe-driving tests. —Press Photo
